

**THE ABRUPT CHANGE** to our students' lives this past spring, along with the unpredictability, uncertainty, fear, and isolation experienced for months, will impact their ability to succeed. This training will help you:

- Understand the impact of this pandemic on students and the entire school staff.
- Organize your school supports with the *Classroom180 Framework*.
- Create optimal learning environments to support ALL students.
- Learn "pandemic possible" strategies and techniques.
